

PARTNERSHIP **INSPIRES THOSE WITH A DISABILITY TO GET ACTIVE DURING THE PARALYMPICS**

Cornwall Sports Partnership in partnership with Tempus Leisure, The Amateur Swimming Association and Disability Cornwall are pleased to offer free swimming and access to the gym at all Tempus Leisure sites during the 2016 Rio Paralympics!

Working together all four organisations want to inspire those people with a disability to get active and get in the pool or in the gym. Seeing Team GB win medals in Rio and access to FREE activity will inspire those with a disability to go along to their local facility (Please visit www.tempusleisure.org.uk to find your closest facility) and give it a go.

Steve Hillman, Sports Inclusion Officer at the Cornwall Sports Partnership commented 'This is a great opportunity for those people with a disability whatever age and ability to give swimming or the gym a go. They are going to be watching the very best in the Rio Paralympics including Cornwall's very own Jonathan Fox (competing in the swimming backstroke event) and what better opportunity than to be able to go down to their closest facility and try and replicate what they see!'

GB & Cornwall's very own Jonathan Fox wins his first ever Gold Medal at London 2012

Tim Webb, Head of Leisure Facilities for Tempus Leisure said "Tempus Leisure is excited to be involved in this initiative. It gives us a great opportunity to demonstrate how passionate we are about offering activities that are truly inclusive. I'm sure that everyone has been inspired by GB's medal success in Rio and will want to continue to be active in our centres with our great value Breeze membership offers."

The Rio Paralympics run from the **7th to the 18th September 2016** and anyone with a disability (and their carer) can access a **FREE** seven day pass during this period by either getting in touch with the Cornwall Sports Partnership (CSP) or Disability Cornwall. The FREE pass entitles them to FREE public swimming sessions and use of the gym after they have registered and activated the pass.
